

SOCIETY WILL AID BUILDING FUND OF CHRISTIAN CHURCH

Missionary Body Backs Plan for \$500,000 Edifice Here.

The United Christian Missionary Society, a national organization, will co-operate with the Vermont Avenue Christian Church in its campaign to raise funds for building in Washington a church of the Disciples of Christ which will situate the denomination nationally.

Word to this effect was received in Washington yesterday from the international convention of the Disciples of Christ which is meeting at Wilkes-Barre, Pa. A resolution was adopted pledging the co-operation of the convention.

The Rev. Dr. Earle Wilder, pastor of the Vermont Avenue church, will preach the convention sermon tomorrow morning. The singing of the male quartet of the Vermont Avenue church, composed of William E. Brathwaite, Paul G. Laidig, W. S. Haynie and Benjamin A. Lineback, aroused great enthusiasm at the national gathering.

The new representative church to be erected by the Disciples of Christ in Washington will cost in the neighborhood of \$500,000. About one-third of the sum will be raised locally. The balance is proposed to be raised by nation-wide subscriptions. As a nucleus of the building fund the church has already the sum of \$20,000. Q. W. Starratt is treasurer of the fund.

THE WASHINGTON SOCIETY

Hardings To Take Cruise

Plan Trip About Chesapeake Bay Over Labor Day.

The President and Mrs. Harding expect to leave the city this afternoon for a cruise on the Presidential yacht Mayflower to extend over Labor Day. They will be accompanied on this brief vacation trip by a party of probably six or eight friends. It is expected that they will return to the White House early Tuesday morning.

This will be the first trip the Chief Executive has had on the Mayflower in two weeks, and it is expected this vacation, with the extra rest afforded by Labor Day, will give him and Mrs. Harding an excellent opportunity to recuperate. It is not considered likely that the ship will make a stop during the trip, but will cruise about the lower Chesapeake and the Virginia Capes.

President Harding yesterday was invited to attend the annual fall pageant to be held in Atlantic City, N. J., September 7 and 8. The President was compelled to decline because the affairs of state will not permit his leaving the capital at that time.

The President and Mrs. Harding yesterday afternoon attended the memorial services for the late King Peter of Serbia in the Bethlehem Chapel of the Washington Cathedral.

Later in the afternoon the President received Signor Tommaso Tittoni, president of the Italian senate, and sometime premier of Italy, and Count Paul Teleki, once premier of Hungary. Signor Tittoni was received at 4:30 o'clock and Count Teleki at 5 o'clock.

The marriage of Dr. C. Dowd Roselle, of this city, and Miss Sarah H. Boxer, also of this city, was solemnized Thursday at 11 o'clock by the Rev. Roland Wager.

Seek Acceptance Of Berryman Ave. As County Road

CAPITOL HEIGHTS, Md., Sept. 2.—Declaring that although legislation was passed at the 1916 session of the legislature making Berryman avenue from Central avenue to the Marlboro-Washington boulevard a county road, the commissioners of Prince Georges have repeatedly refused to accept the road as a county highway, the Capitol Heights Civic League is planning to go before the commissioners with a petition setting forth these facts and asking that the road be accepted.

George Finger, president of the league, stated today that it would be a waste of the taxpayers' money to erect bridges on Berryman avenue. A bond issue of \$3,700 for bridges and culverts was recently authorized at a special election here and it was planned to spend according to Finger, about \$2,000 for five bridges on Berryman avenue. Since this thoroughfare, at least that part from Central avenue to the Marlboro pike, appears to have been declared a county road, the league is asking that the bridges on that street.
